

.75" sewing edge

Reversed (rotated 180°) image of side one image

.75" sewing edge

.75" sewing edge

Grommet Hole

Main Image
Same image as side two

FINISHED FILES SHOULD BE 21.25" x 29"

*Please note we print in CMYK, if you send the file in RGB some colors will vary

If you have specific PMS colors required, please note those on the Purchase order and we will match them as closely as possible.

All files MUST have a 1pt stroke at 50%K around the perimeter.
Files created in Photoshop should be sent as seperate flattened .jpg files

Files created in Illustrator should be sent as SEPERATE .pdf files with all layers active and **all text outlined**
Send all files together as a .zip file

Send files at full size at 300 dpi

Keep all important images/text out of the .75" sewing edge all around the flag

Delete the "Printing Instructions" layer

KEEP THE GROMMET HOLE ON TOP OF ALL YOUR ARTWORK

THE FLAG POLE COVER END SHOULD HAVE NO BLACK EDGE - CHANGE THIS TO WHATEVER COLOR YOUR WANT YOUR POLE SLEEVE TO BE & DELETE THE STROKE EDGE COLOR
